Royal Ballroom A&B (Exhibitors will be at Salon)
8:00 AM – 5:00 PM
5:00 PM – 6:00 PM Networking Hour at the Cellar

The 2017 SHRM Guam Chapter Annual Conference theme is “Leadership through Learning” and is focused on providing HR and business professionals additional tools to set the stage for being a more effective leader. The competencies needed to run and actually build a strong company are not innate. It is a process that involves failures and mistakes and developing the self-awareness needed for personal and professional improvement. Continuous learning is critical to one’s success and effectiveness as a leader. In the “Leadership through Learning” conference, HR and business professionals will learn:

- To recognize the traits to be the effective leader that will make you excel in this ever-changing environment;
- To create an organizational culture that will galvanize peak performance; and
- How the HR competency model, particularly the Leadership and Navigation competency, can become the building block for effective leadership.

Join the SHRM Guam Chapter and speakers from the Pacific West SHRM National Chapter on Friday, October 6, 2017 at the Dusit Thani Guam Resort from 8:00 AM to 5:00 PM for this exciting leadership conference! We invite you to stay for our networking hour starting at 5:00 PM at the Cellar (Dusit Thani Resort, 6th floor).
