### **OKA’S EQ-I 2.0/ EQ360® CERTIFICATION WORKSHOP**

#### **CERTIFICATION WORKSHOP DESCRIPTION (2 DAYS)**

This OKA workshop offers certification level training of the EQ-i 2.0® and the EQ360®, the leading suite of emotional intelligence tools in the field.

In this workshop participants are introduced to this powerful emotional intelligence model, the administration and interpretation of both the EQ-i 2.0® and EQ360® tools, and a number of applications and exercises to support both coaching and training. As with all OKA classes, the certification training is fast-paced, experiential, and oriented toward practical application in your industry.

#### **CERTIFICATION TRAINING OBJECTIVES**

- Take the EQ-i® assessment and receive your results and feedback before the workshop.
- Review the history and development of emotional intelligence research and testing.
- Learn and explore—through discussion and experiential exercises—the 16 components of the EQ-i® model.
- Explore ways to make each EQ element actionable and coachable.
- Learn how to administer and give feedback on the EQ360®.
- Engage in client case studies using EQ-i 2.0® data and practice giving client feedback.
- Complete the post workshop exam
